

A large circular inset is positioned in the center of the right half of the page. It shows a dramatic mountain landscape with steep, rocky peaks and a valley. A prominent archway made of red-tiled wall cladding tiles frames the center of the circle, creating a focal point for the product being advertised.

300x600 mm WALL CLADDING TILES

A decorative graphic of a leafy branch is located on the left side of the page, near the bottom. It consists of several stylized leaves on a thin stem, rendered in a light teal color.
